About Darling Ingredients

A pioneer in circularity, Darling Ingredients Inc. (NYSE: DAR) takes materials from the animal agriculture and food industries, and transforms them into valuable ingredients that nourish people, feed animals and crops, and fuel the world with renewable energy. The company operates approximately 270 facilities in more than 15 countries and processes about 15% of the world's animal agricultural by-products, produces about 30% of the world's collagen (both gelatin and hydrolyzed collagen) and is one of the largest producers of renewable energy.
