Lilli Baumgardner of Merrimac, MA serves as Social Media Communications Specialist, executing the social media marketing campaigns of the agency's clients, including strategic development and creative implementation. She has an associate's degree from Northern Essex Community College, a bachelor's degree from Merrimack College, and an MBA with a concentration in Marketing from Endicott College. Baumgardner has a background in small business marketing and has held several roles that strengthened her dynamic skillset.

Alexa Skinner of Goffstown is the agency's Marketing Assistant.

She supports the team by combining meaningful insights with hands-on execution to ensure strategies deliver results.

"We are thrilled to welcome these talented new team members to Just Flow. Their fresh perspectives and enthusiasm will spark new ideas to enhance and increase our impact for clients," says Ami D'Amelio, CEO & President of Just Flow Events & Marketing. "As our agency grows, their energy and creativity are exactly what we need to build on our success and provide outcomes with even greater value."
