["67": Dictionary.com's 2025 Word of the Year--What Does it Mean?](#)

So, what does 67 actually mean? The short (and maybe disappointing) answer: not much. But that's the point. Some interpret it as "so-so" or "maybe this, maybe that," often paired with a shrug-like...

At Home Successfully Completes Financial Restructuring

Enters Next Phase with Stronger Financial Foundation, More Profitable Operating Model and Additional Resources to Support Strategy DALLAS--(BUSINESS WIRE)--At Home Group Inc. ("At Home" or the "At Home Group") today announced that it has entered its next phase of strategic transformation. The company has secured a new \$1.5 billion credit facility, which will provide it with the financial resources needed to execute its strategic plan. Additionally, the company has implemented a new operating model that will improve its profitability and efficiency. Finally, the company has secured additional resources to support its strategy, including the appointment of a new CEO and the addition of new board members. These actions will enable the company to execute its strategy more effectively and achieve its long-term goals.
